Laura,

Bennington authorizes Paramount to source the minimum of 1,500 yards of approved Carbon vinyl.

If you have any questions, please let me know.

Nick:

I am still needing authorization from Bennington to purchase 1500 yards of vinyl which is our MOQ. Please keep in mind there is a 8 week lead time for the vinyl and another 2-3 weeks for Paramount's production. The sooner the better on this authorization.

Have a great day!
