Jim,

One more request please. Can you please provide an official quote on this? We will need to establish a new P/N and have ready for our operations purchasing group.

Thanks,

Jim,

Good morning. I wanted to let you know that Josiah approved the latches that will be going with Ivory Oasis requirements in MY 2020. Attached is a photo of the latch with his initials.

Thanks,

Jim,

Good morning again. I have one more gelcoat sample (reference Ivory Oasis) for Sarasota to match for Latches. I will arrange having them sent to the address you gave me last time. Any chance to have this matched ASAP would be appreciated knowing you are working on the other colors right now in queue.

Thanks,
